Conferences Designed recognized in Convene August 2014 Best in Show awards

Chicago, Illinois, August 4, 2014 - Cori Dossett, President of Conferences Designed, was noted in the August "Best in Show" issue of the PCMA *Convene* magazine.

The Best in Show awards program offers the top elements from ten different categories nominated by professionals in the meetings industry. The categories vary from destinations, service providers to technology. The variety along quality of selections is essential for participating an outstanding event.

Ms. Dossett nominated the winning Best Meeting App for ACEP's Scientific Assembly (SA) 2013. She explains, "Its flexibility, popularity with attendees, and ACEP's continual striving to give more and more to their Scientific Assembly attendees, as well as continuously looking for opportunities to allow a better attendee experience." The app offers notable features such as venue maps, a CME tracker, and to-do list built in.

Convene magazine is published monthly by PCMA in both print and online format.

About

Conferences Designed is a full-service meeting planning company, featuring production, logistical design, execution and wrap-up of events of all sizes- small committee and board meetings to multi-faceted citywide events. For more information, visit www.conferencesdesigned.com
